The Fine Print

Freedom ain't free & neither are "extra" sides!

In compliance with the Illinois Department of Health, restaurants are required to provide you with the following statement: "The Illinois Department of Public Health advises that eating raw or under-cooked meat, poultry, eggs or seafood poses a health risk to everyone, but especially to the elderly, young children under age 4, pregnant women, and other highly susceptible individuals with compromised immune systems. Thorough cooking of such animal foods reduces the risk of illness."
